#### Panoramic & Walking City Tour 4 hours

##### Driver & Professional Guide

Meet your local guide in front of your centrally located hotel in Dubrovnik and hop into your private vehicle to begin this fun half-day guided panoramic tour of Dubrovnik. Drive through the streets of the city until your arrival just outside of Pile Gate, one of three entrances to the Old Town, or Stari Grad in Croatia. Take some time to learn from your guide about Onofrio's Fountain, a multi-faucet drinking fountain connected to a 7.5-mile (12-km) aqueduct that has, for centuries, carried drinking water into the city. Continue down the Stradun, the limestone-covered main pedestrian street of Dubrovnik. In the main square, have a look at Orlando's Column, the City Bell Tower, Rector's Palace and the Church of St Blaise, who is the patron saint of Dubrovnik. When the walking tour is complete, get back in the comfortable air-conditioned vehicle for a trip to the top of Mt Srđ, the 1,352-foot (412-meter) mountain that towers over the city. At the summit, take some free time to drink in the views of Dubrovnik.

#### Montenegro 11 hours

##### Driver & Professional Guide

You will see one of the best preserved and most beautiful medieval fortified towns in the Mediterranean, Kotor. It was built in honor of Saint Tryphon (local name Sveti Tripun), the patron and protector of the city, on the same site where an older church had already existed long ago. That earlier church was built in 809 by Andrija (Andreaccio) Saracenis, a citizen of Kotor, where the remains of the saint were kept after being brought from Constantinople (now also known as Istanbul). Drive to the Old Town of Budva a Montenegrin town on the Adriatic Sea. It has around 60,000 inhabitants, and it is the centre of Budva Municipality. The coastal area around Budva, is the center of Montenegrin tourism, known for its well-preserved medieval walled city, sandy beaches and diverse nightlife. Budva is 2,500 years old, which makes it one of the oldest settlements on the Adriatic coast. Continue to the Bay of Kotor.

#### Ston & Pelješac with wine tasting 7 hours

##### Driver & Professional Guide

Start with an hour-long journey to the Pelješac peninsula, passing over the contemporary Franjo Tudman Bridge and then cruising past ancient fishing villages along the beautiful Dalmatian Coast. On the way, learn about the history and culture of the area from your knowledgeable guide and perhaps chat about some of the sights you want to see so that your trip can be tailored to your own interests. The first stop is the town of Ston and its diminutive sibling, Mali Ston (Little Ston), home to some of the longest medieval walls in Europe at 4.3 miles. Visit and old salt factory, which produced enough valuable salt that it made the area wealthy and well known in southern Europe. Take a break for lunch in town (optional) and perhaps sample some of the famous oysters - even Roman emperors would have them shipped to Rome - and then continue the journey down the Pelješac peninsula, cruising along the coast.
