Margaret Island, where the thermal water was brought to the surface in 1866, is only 10 minutes driving from downtown. The island wedges gracefully between the Buda and Pest sides of the Danube River and it is filled with flowers and trees. This surrounding is ideal to relax, refresh and renew the body and spirit. During the Mongol invasion of 1242-44, King Béla vowed, that if Hungary were victorious, his daughter Margit would be brought up as a nun. In fact, she lived on the island until her death in 1271. At the end of the 19th century, the island was named after her. Margit is the Hungarian version of Margaret. Margaret was beautified after her death at the age of 29 in 1271 and she was canonized nearly 600 years later in 1943.

Ensana Grand Margaret Island Hotel celebrates its 151st anniversary in 2024 with all the traditional atmosphere of the last century and the modern comfort of today's requirements. It has 164 rooms, including 10 suites. The legendary Széchenyi restaurant serves international, dietetic and Hungarian menus. Now the "ancient" Grand Hotel is offering full therapy services like the Ensana Thermal Margaret Island Hotel, since an underground tunnel connects the two hotels. Under the direction of the spa physicians, a customized therapy plan is developed for each patient.
