DAY BY DAY ITINERARY

Day 1.

A private driver will meet you up at your accommodation for a transfer to the railway station. A chauffeur will meet you for a private transfer from the airport to your lodging. Your personal greeter/porter will escort you from your plane to the car park: "Fast Tack" with immigration Skip-the-line. Day 2.

Today you will have the opportunity to discover the most famous Parisian landmarks at the heart of this iconic city with your private licensed driver guide. Then you will be taken down the Champs Elysees from the Arc de Triumf to the Concorde Square. Lunch will be at your own disposal. After lunch, you will enjoy a Skip-the-Line guided tour of one of the world's most popular museums: The Louvre. As one of the largest museums in the world, it has over 35,000 objects on display from prehistory to the 19th century, spread across more than 650,000 square feet of gallery space. From a medieval fortress, Renaissance palace and luxurious home to Kings and Emperors, the Louvre has been a symbol of the wealth, power and decadence of the French monarchy for over 600 years. Your expert guide will lead you through the galleries of this extraordinary French institution and explain the changing face of the Louvre through its architecture and design.

Day 3.

Your licensed Driver-Guide will pick you up at your accommodation. He will escort you to Versailles. It is your tour, totally custom-made to fit your desire. Walk in the unique and unrivalled Hall of Mirrors (357 mirrors in all); followed by the Royal Chapel, as well as the King and Queen's Royal Apartments. You will be stunned by the Gardens (Europe's largest royal gardens) and the beauty of the Fountains (Apollo, Latona, Neptune,...) all created by France's world famous landscape gardener, André Le Nôtre. Once you have finished this unforgettable trip into an integral part of France's history, your licensed Driver-Guide will then drive you back safely to accommodation in Paris.

Day 4

With your personal chauffeur-guide in a top-of-the-range vehicle, you will head for the Côte Fleurie. You will visit the prestigious seaside resort of Deauville. You will also visit Trouville, "its twin sister". The excursion will continue along the estuary of the Seine and the Côte de Grâce. The next stop will be Honfleur, a charming Norman port painted by Monet with its picturesque alleys, half-timbered houses, old basin and artists' galleries. Lunch by the sea. Continue to Étretat, an old fishing village and now a seaside resort and one of the jewels of the Normandy coast. The complex consists of 3 cliffs: Upstream, Manneporte and Downstream, the most famous with its immense flint archway which rises to 71 m high.

Day 5.

Guided and detailed tour of the major sites of the landing beaches. Departure from your hotel, with a quick stop at the German cemetery in La Combe, to Sainte-Mère-Église, one of the first liberated French towns. Continue to Utah beach and Sainte-Marie-du-Mont, one of the five landing beaches where 23,200 soldiers landed on D-Day. We continue the tour with visits to the American cemetery of Colleville-sur-Mer. Return to your hotel.

Day 6.

Departure from Deauville for a guided day trip with a visit to one of the most popular and emblematic sites in France: Mont-Saint-Michel and its bay, a unique site between sky and sea. The site is a UNESCO World Heritage Site. In addition, the Mont enjoys a second worldwide recognition as a stopover for the Chemins de Saint-Jacques-de-Compostelle in France. You will stroll through the maze of streets in the village and, accompanied by your guide, you will visit the Benedictine Abbey founded at the beginning of the 8th century - one of the most important places of pilgrimage in the Middle Ages - and a true jewel of Romanesque, Gothic and flamboyant arts: the cloister, the refectory and its authentic garden overlooking the sea. Back to Deauville

Day 7.

Pick up from your hotel to TGV Station at Rennes (about 1 hour). Arrival in Paris Station Montparnasse (about 1.5 hours).
