Tour Descriptions

Historical City Tour 4 hours

Walking tour of ancient and contemporary Sofia. In the midst of busy cafés and imposing buildings from 19th and 20th centuries, you will come upon tranquil parks and still active churches from Roman and Byzantine time. St. George Rotunda (a fully preserved structure from the 4th cent.) blends elegantly in the courtyard of the Presidency and the 5th cent. St. Sofia Basilica (which inspired city's coat of arms) lies next to Sofia's greatest sight - St. Alexander Nevski Cathedral, the National Opera and a quaint Flea market. Sofia's unique yellow-brick road, paved in 1907 with Austro-Hungarian cobblestone, runs along Capital's most important landmarks - it starts with Sofia University, National Library, the Parliament and art galleries in the east; goes by the ex-Royal Palace, Russian Church and National theatre, and reaches the recently excavated Roman Forum and St. Nedelya Church in the west. The latter, along with the nearby Banya Bashi Mosque built in 1576 and Sofia Synagogue (the largest Sephardic Temple in Europe) are spoken of as the "triangle of tolerance" among faiths!
