Tour Descriptions

Grand City Tour & Schönbrunn 3.5 hours

First, take a look at the impressive Vienna State Opera. Not far from the Opera, you'll find the grand Hofburg Palace - the former winter residence of the imperial family. Next, you will see the monumental buildings of the Museum of Art History and the Museum of Natural History, the Parliament, Burgtheater and City Hall. Upon arrival at Schönbrunn Palace, we visit the historic state rooms and see how the imperial family once lived. Afterwards you have time to take a stroll through the palace gardens. Optional: Belvedere Palace. At the end of your tour, you can visit Belvedere Palace for a discounted entry fee.

Wachau Valley Tour Full day

Travel from Vienna to Krems, on the banks of the Danube river. Continue on our tour and pass Dürnstein castle on a nearby hill. This is where the English King Richard the Lionheart was held captive. At the small village of Spitz, we board the boat and sail downstream to Melk. After the boat trip, you arrive at Melk to visit the nearby Benedictine Abbey. On a guided tour, you will see the magnificent marble hall, precious abbey library and the church with its unique frescoes. Tour ends downtown.

Sisi Tour Full day

Our Sisi Tour starts with a walk from the Vienna State Opera to Hofburg Imperial Palace. At the Sisi Museum, you will discover the world of strict courtly rules and ceremonies in which the freedom-loving empress lived. Afterwards you can explore the Silver Collections and the Imperial Apartments on your own. On the subsequent ride from Hofburg to Niederweiden Palace, you will hear more about the life of Empress Sisi. The special exhibition at the Niederweiden hunting lodge extends over seven rooms and showcases objects that have never been shown before. A visit to the magnificent rooms and baroque gardens of Schloss Hof Estate is a fitting end to our tour. Here you will also have free time to stroll around the impressive gardens and enjoy refreshments at the café.

Bus Tour to Salzburg from Vienna Full day

Relax on our comfortable bus while we drive to Salzburg. On the journey you will get the first impression of the beauty of the Salzkammergut countryside with its clear lakes and majestic mountains. On a guided walk through the historical centre of Salzburg, we show you the most popular tourist attractions. One of the famous scenes of "The Sound of Music" was filmed in the gardens of the Mirabell Palace. It was here that Maria sang, together with the children, the song "Do-Re-Mi-Fa-So" at the fountain and on the steps. A real highlight of our city trip to Salzburg is the Getreidegasse, the street where the birthplace of Mozart is located. This narrow street still reminds us of the 18th century. Other attractions on our sightseeing tour: University Church, St. Peter's Abbey, the Salzburg Cathedral and the Festival Hall. You have some time at your disposal to explore the city, eat lunch or shop for souvenirs until our departure at 4 p.m.

Cruise with Music and Buffet Dinner 3.5 hours

We board the modern DDSG Blue Danube ship at Schwedenplatz near the city centre. Our route takes us along the Danube canal to the lock at Nussdorf. We return on the Danube river. Enjoy the dinner cruise with traditional Viennese cuisine while the evening skyline of the city glides past.

Bratislava Day Trip Full day

Travel by our tour bus about an hour to Bratislava, capital of Slovakia. (Passport needed). The local tour guide will meet you at the bus station upon arrival. The first stop is the 18th century Plague Column. Walk through the inner city of the National Theater. You will see Michael's Gate with its onion dome, the historic City Hall and the Maximilian Fountain. The tour ends at St. Martin's Cathedral, where several Hungarian Kings were crowned. After the tour, you have time to explore the city on your own - have lunch or go shopping. The journey back to Vienna is by a high-speed catamaran - the Twin City Liner.
